SUMMER PROJECT TIME!

Have a summer project in mind? Maybe it’s making a chicken feeder, building an Adirondack chair, outfitting your vehicle with storage or sleeping accommodations, making a birdhouse, cutting board, or piece of furniture. Yes, all of these have been done at the wood shop in the past few months! Maybe you just want to learn some new skills and meet some new people.

Come visit the Wood Hobby Shop in Building H-10 during our hours of operation: Tuesdays & Thursdays, 4-9 p.m. and Saturdays 9 a.m. - 2 p.m. Or contact Mark DeVeber for any additional information and special requests. mark@shipyardwoodcrafters.com

After we lunch at Snow Falls (bring your own or grab food at Founder's Day), we'll visit the Maine Mineral and Gem Museum in Bethel to see the largest piece of Mars on Earth and their world class meteorite collection.
